SUBJECT INDEX

HEARING

NATURE OF HEARING AND ITS DISORDERS

Auditory and Other Otic Pathologies

Analysis of successful initiations of three children with hearing loss mainstreamed in kindergarten classrooms. Hulsing, M. M., Luetke-Stahlman, B., Loeb, D. F., Nelson, P., & Wegner, J. Jan. 1995, 45-57.

Middle ear disorders and hearing loss in native Hawaiian preschoolers. Pang-Ching, G., Robb, M., Heath, R., & Takumi, M. Jan. 1995, 33-38.

Hearing Loss and Deafness

Analysis of successful initiations of three children with hearing loss mainstreamed in kindergarten classrooms. Hulsing, M. M., Luetke-Stahlman, B., Loeb, D. F., Nelson, P., & Wegner, J. Jan. 1995, 45-57.

Middle ear disorders and hearing loss in native Hawaiian preschoolers. Pang-Ching, G., Robb, M., Heath, R., & Takumi, M. Jan. 1995, 33-38.

The use of standardized test batteries in assessing the skill development of children with mild-to-moderate sensorineural hearing loss. Plapinger, D. S., & Sikora, D. M. Jan. 1995, 39-44.

ASSESSMENT OF HEARING

Screening

Middle ear disorders and hearing loss in native Hawaiian preschoolers. Pang-Ching, G., Robb, M., Heath, R., & Takumi, M. Jan. 1995, 33-38.

Diagnostic Audiology— General

Middle ear disorders and hearing loss in native Hawaiian preschoolers. Pang-Ching, G., Robb, M., Heath, R., & Takumi, M. Jan. 1995, 33-38.

Specific Diagnostic Techniques and Approaches

Middle ear disorders and hearing loss in native Hawaiian preschoolers. Pang-Ching, G., Robb, M., Heath, R., & Takumi, M. Jan. 1995, 33-38.

Acoustic Immittance

Middle ear disorders and hearing loss in native Hawaiian preschoolers. Pang-Ching, G., Robb, M., Heath, R., & Takumi, M. Jan. 1995, 33-38.

INTERVENTION

Habilitation, Rehabilitation, and Education

Authoring and hypermedia. Lieberth, A. K., & Martin, D. R. July 1995, 241-250.

Computer applications in the schools: What we can do—What we should do. Masterson, J. J. July 1995, 211-212.

Repair behaviors used by children with hearing loss. Blaylock, R. L., Scudder, R. R., & Wynne, M. K. July 1995, 278-285.

Some contemporary approaches in treating fluency disorders in preschool, school-age, and adolescent children. Fosnot, S. M. April 1995, 115-116.

The use of standardized test batteries in assessing the skill development of children with mild-to-moderate sensorineural hearing loss. Plapinger, D. S., & Sikora, D. M. Jan. 1995, 39-44.

LANGUAGE

NATURE OF NORMAL LANGUAGE

Language Development

- Adolescents' perceptions of the relative importance of selected communication skills in their positive peer relationships. Henry, F. M., Reed, V. A., & McAllister, L. L. July 1995, 263-272.
- Analysis of successful initiations of three children with hearing loss mainstreamed in kindergarten classrooms. Hulsing, M. M., Luetke-Stahlman, B., Loeb, D. F., Nelson, P., & Wegner, J. Jan. 1995, 45-57.
- Expanding norms for narration. Johnson, C. J. Oct. 1995, 326-341.
- Language norms in school-age children and adolescents: An introduction. Nippold, M. A. Oct. 1995, 307-308.
- Measures of syntax in school-age children and adolescents. Scott, C. M., & Stokes, S. L. Oct. 1995, 309-319.
- School-age children and adolescents: Norms for word definition. Nippold, M. A. Oct. 1995, 320-325.
- Teaching the language of feelings to students with severe emotional and behavioral handicaps. Giddan, J. J., Bade, K. M., Rickenberg, D., & Ryley, A. T. Jan. 1995, 3-10.

Language Differences and Different Languages

- African-American English and linguistic complexity in preschool discourse: A second look. Craig, H. K., & Washington, J. A. Jan. 1995, 87-93.
- Authoring and hypermedia. Lieberth, A. K., & Martin, D. R. July 1995, 241-250.
- Expanding norms for narration. Johnson, C. J. Oct. 1995, 326-341.

LANGUAGE DISORDERS

Language Disorders in Children

- Adolescents' perceptions of the relative importance of selected communication skills in their positive peer relationships. Henry, F. M., Reed, V. A., & McAllister, L. L. July 1995, 263-272.
- Expanding norms for narration. Johnson, C. J. Oct. 1995, 326-341.
- Expanding language norms for school-age children and adolescents: Is it pragmatic? Norris, J. A. Oct. 1995, 342-352.

- Language norms in school-age children and adolescents: An introduction. Nippold, M. A. Oct. 1995, 307-308.

- NOT using a computer in language assessment/intervention: In defense of the reluctant clinician. Cochran, P. S., & Masterson, J. J. July 1995, 213-222.

- Repair behaviors used by children with hearing loss. Blaylock, R. L., Scudder, R. R., & Wynne, M. K. July 1995, 278-285.

- School-age children and adolescents: Norms for word definition. Nippold, M. A. Oct. 1995, 320-325.

- Treating the child who stutters with concomitant language or phonological impairment. Ratner, N. B. April 1995, 180-186.

Learning Disabilities

- Adolescents' perceptions of the relative importance of selected communication skills in their positive peer relationships. Henry, F. M., Reed, V. A., & McAllister, L. L. July 1995, 263-272.
- Effect of verbal routine contexts and expansions on gains in the mean length of utterance in children with developmental delays. Yoder, P. J., Spruytenburg, H., Edwards, A., & Davies, B. Jan. 1995, 21-32.
- The effects of training phonological, semantic, and syntactic processing skills in spoken language on reading ability. Gillon, G., & Dodd, B. Jan. 1995, 58-68.

- Expanding norms for narration. Johnson, C. J. Oct. 1995, 326-341.

- NOT using a computer in language assessment/intervention: In defense of the reluctant clinician. Cochran, P. S., & Masterson, J. J. July 1995, 213-222.

Language Disorders in Personality and Psychiatric Disturbances

- Teaching the language of feelings to students with severe emotional and behavioral handicaps. Giddan, J. J., Bade, K. M., Rickenberg, D., & Ryley, A. T. Jan. 1995, 3-10.

ASSESSMENT AND INTERVENTION

Assessment

- Analysis and commentary. Gregory, H. H. April 1995, 196-200.
- Analysis of successful initiations of three children with hearing loss main-

- streamed in kindergarten classrooms. Hulsing, M. M., Luetke-Stahlman, B., Loeb, D. F., Nelson, P., & Wegner, J. Jan. 1995, 45-57.

- Computer applications in the schools: What we *can* do—What we *should* do. Masterson, J. J. July 1995, 211-212.

- Expanding norms for narration. Johnson, C. J. Oct. 1995, 326-341.

- Future directions in computer use. Masterson, J. J. July 1995, 260-262.

- Language norms in school-age children and adolescents: An introduction. Nippold, M. A. Oct. 1995, 307-308.

- Measures of syntax in school-age children and adolescents. Scott, C. M., & Stokes, S. L. Oct. 1995, 309-319.

- NOT using a computer in language assessment/intervention: In defense of the reluctant clinician. Cochran, P. S., & Masterson, J. J. July 1995, 213-222.

- School-age children and adolescents: Norms for word definition. Nippold, M. A. Oct. 1995, 320-325.

- Treating the child who stutters with concomitant language or phonological impairment. Ratner, N. B. April 1995, 180-186.

- The use of standardized test batteries in assessing the skill development of children with mild-to-moderate sensorineural hearing loss. Plapinger, D. S., & Sikora, D. M. Jan. 1995, 39-44.

Intervention

- Adolescents' perceptions of the relative importance of selected communication skills in their positive peer relationships. Henry, F. M., Reed, V. A., & McAllister, L. L. July 1995, 263-272.
- Computer applications in the schools: What we *can* do—What we *should* do. Masterson, J. J. July 1995, 211-212.
- Effectiveness of a collaborative consultation approach to basic concept instruction with kindergarten children. Ellis, L., Schlaudecker, C., & Regimbal, C. Jan. 1995, 69-74.
- Effect of verbal routine contexts and expansions on gains in the mean length of utterance in children with developmental delays. Yoder, P. J., Spruytenburg, H., Edwards, A., & Davies, B. Jan. 1995, 21-32.
- The effects of training phonological, semantic, and syntactic processing skills in spoken language on reading ability. Gillon, G., & Dodd, B. Jan. 1995, 58-68.
- Future directions in computer use. Masterson, J. J. July 1995, 260-262.

NOT using a computer in language assessment/intervention: In defense of the reluctant clinician. Cochran, P. S., & Masterson, J. J. July 1995, 213-222.

Treating the child who stutters with concomitant language or phonological impairment. Ratner, N. B. April 1995, 180-186.

Nonspeech Communications Systems

Thomas the writer: Case study of a child with severe physical, speech, and visual impairments. Blischak, D. M. Jan. 1995, 11-20.

LANGUAGE AND MOVEMENT

Effectiveness of a collaborative consultation approach to basic concept instruction with kindergarten children. Ellis, L., Schlaudecker, C., & Regimbal, C. Jan. 1995, 69-74.

SPEECH

SPEECH AND VOICE DISORDERS

Articulation and Resonance Disorders

Cooperative service delivery between a university clinic and a school system. Ruscello, D. M., Yanero, D., & Ghalichebaf, M. July 1995, 273-277.

Treating the child who stutters with concomitant language or phonological impairment. Ratner, N. B. April 1995, 180-186.

Stuttering and Other Fluency Disturbances

Analysis and commentary. Gregory, H. H. April 1995, 196-200.

Clinical management of cluttering. St. Louis, K. O., & Myers, F. L. April 1995, 187-195.

Fluency intervention for preschoolers and their families in the public schools. Gottwald, S. R., & Starkweather, C. W. April 1995, 117-126.

Helping adolescents who stutter focus on fluency. Daly, D. A., Simon, C. A., & Burnett-Stolnack, M. April 1995, 162-168.

Parental involvement in the treatment of stuttering. Rustin, L., & Cook, F. M. April 1995, 127-137.

POWER²: Relapse management with adolescents who stutter. Blood, G. W. April 1995, 169-179.

Some contemporary approaches in treating fluency disorders in preschool, school-age, and adolescent children. Fosnot, S. M. April 1995, 115-116.

Strategies for treating elementary school-age children who stutter: An integrative approach. Healey, E. C., & Scott, L. A. April 1995, 151-161.

Treating the child who stutters with concomitant language or phonological impairment. Ratner, N. B. April 1995, 180-186.

Working with 7-12-year-old children who stutter: Ideas for intervention in the public schools. Ramig, P. R., & Bennett, E. M. April 1995, 138-150.

ASSESSMENT AND INTERVENTION

Intervention

Helping adolescents who stutter focus on fluency. Daly, D. A., Simon, C. A., & Burnett-Stolnack, M. April 1995, 162-168.

POWER²: Relapse management with adolescents who stutter. Blood, G. W. April 1995, 169-179.

Strategies for treating elementary school-age children who stutter: An integrative approach. Healey, E. C., & Scott, L. A. April 1995, 151-161.

Instrumentation for Diagnosis, Treatment, and Research

Computer applications in the schools: What we *can* do—What we *should* do. Masterson, J. J. July 1995, 211-212.

Computer-based instrumentation: Issues in clinical applications. McGuire, R. A. July 1995, 223-231.

Cooperative service delivery between a university clinic and a school system. Ruscello, D. M., Yanero, D., & Ghalichebaf, M. July 1995, 273-277.

Future directions in computer use. Masterson, J. J. July 1995, 260-262.

Some contemporary approaches in treating fluency disorders in preschool, school-age, and adolescent children. Fosnot, S. M. April 1995, 115-116.

Nonspeech Communications Systems

Thomas the writer: Case study of a child with severe physical, speech, and visual impairments. Blischak, D. M. Jan. 1995, 11-20.

PROFESSIONAL AND GENERAL SCIENTIFIC ISSUES

PROFESSIONAL AFFAIRS

Service Provision Models and Problems

Collaborative partnerships in a language in the classroom program. Prelock, P. A., Miller, G. L., & Reed, N. L. July 1995, 286-292.

Educators' opinions about speech-language pathology services in schools. Sanger, D. D., Hux, K., & Griess, K. Jan. 1995, 75-86.

Effectiveness of a collaborative consultation approach to basic concept instruction with kindergarten children. Ellis, L., Schlaudecker, C., & Regimbal, C. Jan. 1995, 69-74.

Incidence and Prevalance of Communication Disorders

Cooperative service delivery between a university clinic and a school system. Ruscello, D. M., Yanero, D., & Ghalichebaf, M. July 1995, 273-277.

Interdisciplinary Concerns

Educators' opinions about speech-language pathology services in schools. Sanger, D. D., Hux, K., & Griess, K. Jan. 1995, 75-86.

Effectiveness of a collaborative consultation approach to basic concept instruction with kindergarten children. Ellis, L., Schlaudecker, C., & Regimbal, C. Jan. 1995, 69-74.

Legal issues and computer use by school-based audiologists and speech-language pathologists. Wynne, M. K., & Hurst, D. S. July 1995, 251-259.

Teaching the language of feelings to students with severe emotional and behavioral handicaps. Giddan, J. J., Bade, K. M., Rickenberg, D., & Ryley, A. T. Jan. 1995, 3-10.

PROFESSIONAL TRAINING

Education and Continuing Education

Defining, developing, and maintaining clinical expertise. Kamhi, A. G. Oct. 1995, 353-356.

Future directions in computer use. Masterson, J. J. July 1995, 260-262.

Clinical Supervision and Interaction

Analysis and commentary. Gregory, H. H. April 1995, 196–200.

Counseling

Analysis and commentary. Gregory, H. H. April 1995, 196–200.

Computer Applications

Authoring and hypermedia. Lieberth, A. K., & Martin, D. R. July 1995, 241–250.

Computer applications in educational audiology. Mendel, L. L., Wynne, M. K., English, K., & Schmidt-Troike, A. July 1995, 232–240.

Computer applications in the schools: What we *can* do—What we *should* do. Masterson, J. J. July 1995, 211–212.

Computer-based instrumentation: Issues in clinical applications. McGuire, R. A. July 1995, 223–231.

Future directions in computer use. Masterson, J. J. July 1995, 260–262.

Legal issues and computer use by school-based audiologists and speech-language pathologists. Wynne, M. K., & Hurst, D. S. July 1995, 251–259.

NOT using a computer in language assessment/intervention: In defense of the reluctant clinician. Cochran, P. S., & Masterson, J. J. July 1995, 213–222.

Clinical Expertise

Defining, developing, and maintaining clinical expertise. Kamhi, A. G. Oct. 1995, 353–356.

TITLE INDEX

Adolescents' perceptions of the relative importance of selected communication skills in their positive peer relationships. Henry, F. M., Reed, V. A., & McAllister, L. L. July 1995, 263–272.

African-American English and linguistic complexity in preschool discourse: A second look. Craig, H. K., & Washington, J. A. Jan. 1995, 87–93.

Analysis and commentary. Gregory, H. H. April 1995, 196–200.

Analysis of successful initiations of three children with hearing loss mainstreamed in kindergarten classrooms. Hulsing, M. M., Luetke-Stahlman, B., Loeb, D. F., Nelson, P., & Wegner, J. Jan. 1995, 45–57.

Authoring and hypermedia. Lieberth, A. K., & Martin, D. R. July 1995, 241–250.

Clinical management of cluttering. St. Louis, K. O., & Myers, F. L. April 1995, 187–195.

Collaborative partnerships in a language in the classroom program. Prelock, P. A., Miller, G. L., & Reed, N. L. July 1995, 286–292.

Computer applications in educational audiology. Mendel, L. L., Wynne, M. K., English, K., & Schmidt-Troike, A. July 1995, 232–240.

Computer applications in the schools: What we *can* do—What we *should* do. Masterson, J. J. July 1995, 211–212.

Computer-based instrumentation: Issues in clinical applications. McGuire, R. A. July 1995, 223–231.

Cooperative service delivery between a university clinic and a school system. Ruscello, D. M., Yanero, D., & Ghalichebaf, M. July 1995, 273–277.

Defining, developing, and maintaining clinical expertise. Kamhi, A. G. Oct. 1995, 353–356.

Educators' opinions about speech-language pathology services in schools. Sanger, D. D., Hux, K., & Griess, K. Jan. 1995, 75–86.

Effectiveness of a collaborative consultation approach to basic concept instruction with kindergarten children. Ellis, L., Schlaudecker, C., & Regimbal, C. Jan. 1995, 69–74.

Effect of verbal routine contexts and expansions on gains in the mean length of utterance in children with developmental delays. Yoder, P. J., Spruytenburg, H., Edwards, A., & Davies, B. Jan. 1995, 21–32.

The effects of training phonological, semantic, and syntactic processing skills in spoken language on reading ability. Gillon, G., & Dodd, B. Jan. 1995, 58–68.

Expanding language norms for school-age children and adolescents: Is it pragmatic? Norris, J. A. Oct. 1995, 342–352.

Expanding norms for narration. Johnson, C. J. Oct. 1995, 326–341.

Fluency intervention for preschoolers and their families in the public schools. Gottwald, S. R., & Starkweather, C. W. April 1995, 117–126.

Future directions in computer use. Masterson, J. J. July 1995, 260–262.

Helping adolescents who stutter focus on fluency. Daly, D. A., Simon, C. A., & Burnett-Stolnack, M. April 1995, 162–168.

Language norms in school-age children and adolescents: An introduction. Nippold, M. A. Oct. 1995, 307–308.

Legal issues and computer use by school-based audiologists and speech-language pathologists. Wynne, M. K., & Hurst, D. S. July 1995, 251–259.

Measures of syntax in school-age children and adolescents. Scott, C. M., & Stokes, S. L. Oct. 1995, 309–319.

Middle ear disorders and hearing loss in native Hawaiian preschoolers. Pang-Ching, G., Robb, M., Heath, R., & Takumi, M. Jan. 1995, 33–38.

NOT using a computer in language assessment/intervention: In defense of the reluctant clinician. Cochran, P. S., & Masterson, J. J. July 1995, 213–222.

Parental involvement in the treatment of stuttering. Rustin, L., & Cook, F. M. April 1995, 127–137.

POWER²: Relapse management with adolescents who stutter. Blood, G. W. April 1995, 169–179.

Repair behaviors used by children with hearing loss. Blaylock, R. L., Scudder, R. R., & Wynne, M. K. July 1995, 278–285.

School-age children and adolescents: Norms for word definition. Nippold, M. A. Oct. 1995, 320–325.

Some contemporary approaches in treating fluency disorders in preschool, school-age, and adolescent children. Fosnot, S. M. April 1995, 115–116.

Strategies for treating elementary school-age children who stutter: An integrative approach. Healey, E. C., & Scott, L. A. April 1995, 151–161.

Teaching the language of feelings to students with severe emotional and behavioral handicaps. Giddan, J. J., Bade, K. M., Rickenberg, D., & Ryley, A. T. Jan. 1995, 3–10.

Thomas the writer: Case study of a child with severe physical, speech, and visual impairments. Blischak, D. M. Jan. 1995, 11–20.

Treating the child who stutters with concomitant language or phonological impairment. Ratner, N. B. April 1995, 180–186.

The use of standardized test batteries in assessing the skill development of children with mild-to-moderate sensorineural hearing loss. Plapinger, D. S., & Sikora, D. M. Jan. 1995, 39–44.

Working with 7–12-year-old children who stutter: Ideas for intervention in the public schools. Ramig, P. R., & Bennett, E. M. April 1995, 138–150.
